THE EXPERT'S VIEW

"AXIOMA stands as one of the most accomplished 72m superyachts of her generation, combining a timeless Alberto Pinto interior with refined exterior lines that prioritise elegance over fashion. Delivered by Dunya Yachts, she benefits from a robust Northern European build philosophy, resulting in exceptional structural integrity and long-term reliability. Her interior volumes are outstanding for her length, offering expansive social spaces, generous ceiling heights, and a layout optimised for both private ownership and charter use.
